Nestled in a quiet neighbourhood and set back from the street, you will fall in love with 7 Linksland Street. When you walk in you are instantly greeted with an ambiance and charm that makes you feel right at home. Raked cathedral ceilings with exposed timber, painted brick and neutral tones throughout create a colour palate to suit any décor.

A spacious lounge room with tiled feature wall flows effortlessly into the air-conditioned dining room. The kitchen is an absolute dream for any cook or entertainer; featuring a brand new 900cm Smeg oven with gas cooktop, three separate stone top benches, copious amounts of storage and seamless access to the generous outdoor entertaining area. A converted garage lends itself currently to a large storage room but can double as just about anything, a 4th bedroom, work from home office or rumpus room for the kids.
