

Peregian Springs, QLD

8 Tallowood Court

HANGloosa
property noosa

This huge 894m2 ocean view block show cases a sensational 180 degree panorama of ocean vistas of the Pacific Ocean, Peregian Beach and Emu Mountain.

The block has a much coveted North East aspect with cool ocean breezes, while the sweeping views provide spectacular sunrises, moon-lit star gazing and even whale sightings in whale season.

The gently sloping contour provides the opportunity to capitalise upon ocean views from every floor of your new dream home with an easy split level design, or cut in and build any home of your choice. Current architectural plans are available by request.

The astute buyer can 'buy and build the dream home' or 'be the last ocean view block standing' - either way future capital growth is assured.
