A superbly crafted renovation both internal and external has updated this four-bedroom home into something special.

Beautifully refreshed and immaculate throughout, the home is ready for those looking to move straight in and seek immediate enjoyment.

The perfect north/east facing aspect provides interiors with an abundance of natural light, complemented by ample windows for outdoor viewing.

Sleek new modern tiles flow from the welcoming foyer, down the lovely wide hallway to the living, dining & kitchen zones highlighted by crisp white walls setting a fresh relaxed mood to the interior.

The brand new kitchen is a dream come true for the serious cook, boasting striking stone benchtops with ample benchspace and storage options and enjoying the best views of the garden and surrounds. You will love the sense of space this home has to offer with multiple living zones

working well to accommodate the whole family.

Glass sliding doors lead you outside to the alfresco patio area which looks out admiringly over the private rear gardens, the ideal spot for those family barbeques.
