Merely a stone's throw from Lake Cooroibah, this character home is located in leafy Cooroibah Village, only 5 minutes to the heart of Tewantin and 15 minutes to Noosa Main Beach.

Very liveable but clearly a renovator, the house is bigger than it looks from the street and contains many appealing qualities. Hardwood timber floors throughout, high ceilings, three bedrooms, all with built-in-robbers, large living area, well equipped kitchen and separate dining zone. Front and rear verandahs certainly add to the charm and both blend beautifully with the shady retreat of the gardens. Also featuring solar power and a 20,000-litre water tank to create an immediate savings on power and water.
